

HUNT YACHTS

SURFHUNTER 32

### SURFHUNTER 32.

When a hull glides effortlessly through the water, when it shrugs off 2-3' seas like a pond run, when its guests stay dry and its helmsman confident and when it turns heads in every harbor, you have the makings of a classic. And classics don't just endure, they triumph. 50 years of experience designing for the worst conditions means unmatched safety and reliability are at the heart of the Hunt DNA.

## RELAX IN LUXURY.

When you reach your destination, the expansive flush cockpit is roomy and inviting. The integral swim platform invites swimming and watersports while the transom door makes disembarking a breeze. At the end of the day, the Surfhunter 32 boasts two showers – both a transom and stand-up shower below – to freshen up for dinner or the ride home.
